

ENVOY 2 ENCORE

Simplified, Accessible Audio Player

 MEGAVOICE

The Envoy 2 Encore is designed for users of all ages, offering quick and effortless navigation through its onboard full Bible and Scripture/music content with its large, tactile buttons. With high-contrast colors on the keypad artwork, the Encore is ideal for individuals with low vision impairments, ensuring accessibility and ease of use for all.

The Cross Navigation feature allows users to seamlessly switch between languages without losing their place in the audio playback. This innovative functionality ensures a smooth transition and uninterrupted listening experience across different languages.

Additionally, its solar-powered design provides a sustainable solution for elderly users, ensuring longer playback without the hassle of frequent charging, making it an ideal audio companion for all seeking accessibility and convenience.
