ENVOY 3 EQUIP

Solar Powered Audio Bible

MEGAVOICE

Audio Bible - Listen to the Bible, Bible studies, sermons, music, educational content, humanitarian messages, and more!

FM Radio - Listen to radio stations, disaster relief broadcasts, or messages for refugees. Bookmark 5 channels.

Multi Content - Players can hold multiple languages, dialects, or combinations of audio. The intuitive keypad makes it easy to navigate large amounts of audio content.

LED Flashlight - 3 levels of illumination provide the perfect amount of brightness for each situation. Use the included lanyard for a hands-free torch.

Playback Speed Control - Speed up or slow down audio content to your preferred speed.
