

TECHNOLOGICAL INNOVATION SINCE 1988

For over thirty-seven years, MegaVoice has equipped the Church in fulfilling the Great Commission so all people may engage with the Word of God in their own language. We are the creators of the world's first solar-powered audio Bible. Year after year, we continue to perfect and expand our product offerings in order to better serve our incredible partners around the globe.

MegaVoice audio players can be loaded with hundreds of hours of content, yet they're easy for anyone to use, anywhere! They're also durable, heat and water-resistant, and tamper-proof.

EQUIPPING OUR PARTNERS TO FULFILL THE GREAT COMMISSION

SO ALL PEOPLE MAY ENGAGE WITH THE WORD OF GOD IN THEIR OWN LANGUAGE

BREAKING THE SILENCE

At MegaVoice, we equip our partners to fulfill the Great Commission. We create solar-powered audio players, video players, and other accessories to break the silence for those still waiting to hear the Good News in their heart language.

WHY AUDIO?

2/3 OF THE WORLD'S POPULATION IS FUNCTIONALLY ILLITERATE

80%  OF THE WORLD'S POPULATION PREFERS ORAL LEARNING

MegaVoice audio players and accessories are the perfect solution to reach these people and provide them with the ideal way to engage with God's Word.

EQUIPPING PARTNERS WORLDWIDE

For innovative and powerful discipleship tools that just make sense in a global context, think MegaVoice.

Our Partners can use their own content or choose from thousands of languages and titles available through the massive MegaVoice Audio Cloud.

Customize your players with a variety of colors, speaker grill shapes, keypad artwork, and back labels for an additional cost.

We count it a privilege to assist as needed - from simply offering blank units all the way to project consulting, audio production, and deployment management.

UNTIL EVERY NATION, TRIBE, AND PEOPLE HAVE HEARD GOD'S WORD IN THEIR OWN LANGUAGE
