

# MEGAVOICE STORY TELLER

**Message: up to 10 hours**  
**Load content easily with PC**

***Ideal for evangelism & Bible storying***

## Reaching people where they are with the **MegaVoice Story Teller**

This lightweight, low cost, solar-powered audio player is simple for anyone to use including non-readers, elderly, and children.

Easily load up to 10 hours of tamperproof Bible stories, music, humanitarian content and more. Load using MP3, WMA, or WAV formats.

Drag-and-drop audio messages to the **Story Teller** from a PC using ST software and MegaVoice USB cable. Thousands of Scripture message/language audio titles available at [megavoice.com/search](http://megavoice.com/search)
